

Flash Sale: La Pinsonnière boasts multiple strengths

Join us on Monday, April 8th for a Flash Sale on auctav.com: La Pinsonnière, a daughter of Beaumec de Houelle, is already a black-type over hurdles, and her recent debuts in chase are convincing.

LA PINSONNIERE / F 2020 - Beaumec de Houelle x Ria Menina (Air Eminem)

A compelling profile for this daughter of the young stallion Beaumec de Houelle. Placed in Listed and Group 3 races over hurdles at Auteuil, she has benefited since January 1, 2024, from a 10% bonus for owner of females in NH races. She remains a maiden and therefore easy to engage if she needs to cross the Channel.

La Pinsonnière made good debuts in chase at Angers, being the runner-up. In this Prix Georges du Breil (2m5f, 3700m, very soft ground), she finished a length behind Kazador de Kerseur, who was coming off a win at the Pau meeting.

La Pinsonnière's dam is a winner at Auteuil and has finished in the top three in 10 of her 11 runs, on both flat and over jumps. It's a maternal line that combines stamina and speed, with horses that have succeeded in France, the United States, and Asia.

François Nicolle, trainer: "She's an extremely easy filly, very kind, who learns quickly. She improves herself without being pushed, and she still has a lot to show. She's tall and starting to strengthen. I like her a lot. She's just started in chase. She leans a bit to the right, and it's certain she will win soon in chase at Compiègne or Auteuil."
