On May 28th from 6:00 PM to 6:30 PM (French Time), Auctav's monthly sale will take place on auctav.com featuring Lady Ruscino in the trotting section. Qualified a month ago, the daughter of Django Riff is being sold due to the dissolution of a partnership.

Lady Ruscino - F 2021 - Django Riff x Become a Star (Sam Bourbon)

Born in 2021, Lady Ruscino (Django Riff) qualified at Meslay-du-Maine on April 16th in 1'18". Although her dam has had offspring before, Lady Ruscino is the first born since the broodmare was purchased in foal to Django Riff. Lady Ruscino was bought for €20,000 as a yearling by three co-owners; the dissolution of their partnership has led to this sale. This maternal family is strong and traces back to Daisy Dream, the dam of Kaisy Dream.

Yann Orain, co-owner: "She caught our eye during her preparation time for the yearling sales, which took place at Oradel stables. She is a tall filly with a lot of speed and character. She will be ready to race soon. She shows all the signs of being an early-developing horse that needs to build stamina because she is undeniably precocious. In her daily life, she has an excellent temperament, she is easy to transport and has never had any health issues. Moreover, she has a beautiful pedigree and the build to become a broodmare in the future."
