

LAST MINUTE Kassou Hipolyte joins the sale

KASSOU HIPOLYTE - Al Mouwaffak x Al Sharyah (Dahess) Consigned by Claire Chenu

Experienced and constantly improving, Kassou Hipolyte (Al Mouwaffak) decisively won at Montauban, defeating Angus a few days ago. With the entry of this winner in the Auctav Arabian Summer Sale, the exacta of this Prix Ferdinand Flottes - Wathba Stallion Cup (2250 meters) is now featured in the catalog of horses in training.

If the dam of Kassou Hipolyte is unraced, the second dam, Kado de Ghazal (Kesberoy), is the full sister to two excellent performers and, more importantly, broodmares: Kaoe de Ghazal, who produced the champion Kiss de Ghazal (Dormane), and Braise de Ghazal, dam of Boum de Ghazal (Zippy Al Maury) and Chamade de Ghazal (Dormane).

Claire Chenu, trainer: "Kassou Hipolyte has experience and continues to improve. He has matured and shows great courage in his morning work as well as on the racetrack. He is a solid horse who has never had any health issues. He is very versatile and breaks well from the stalls. He likes both the sand like at Pompadour and the turf as shown at Montauban, and he performs well over all distances. He recovers very quickly, as demonstrated by his victory eight days after his previous race."
