A Sister to Al Mamun Monlau in the Catalog

BILKISS MONLAU (Jaafer ASF x Salalah de Monlau) - M 2019 - In Foal to Muraaqib

Consigned by Haras de Monlau

Bilkiss Monlau is the sister to champion and outstanding stallion Al Mamun Monlau and black-type horses Saladin de Monlau, Princesse Monlau, and Al Karama Monlau, all from an impeccable genetic family proven by excellent racing and breeding results.

Runner-up at 4 years old by a short head, Bilkiss Monlau (Jaafer ASF) was directed towards breeding and has been covered and tested in foal to the excellent Muraaqib, a cross already approved by her breeder. "Bilkiss has raced and placed second," explains Robert Bourdette from Haras de Monlau. "She is the sister to Al Mamun Monlau. She is a large mare for which I chose Muraaqib, who is by Munjiz, a cross close to Al Mamun Monlau. I had a filly by her sister and Muraaqib who is magnificent, which reassures me about this cross."

Two Full Brothers Entered in the Breeding Sale

ALSHABABI (Yazeed x Pali'Ba) - C 2023

Consigned by Haras de Thouars

Alshababi (Yazeed) is a yearling colt out of Pali'Ba, a broodmare from an excellent family since her sister Win Taouy is the dam of many champions: Djet Taouy (Dahess), Ameretto (Amer), and Ramiz Al Aziz (Akbar).

His full brother **Soughan (Yazeed)**, also born in 2023, is entered in the catalog. Soughan is bay brown, unlike the chestnut Alshababi.

MAMZEL'LOU (Nieshan x Louna du Loup) - F 2022

Consigned by Haras du Val des Merles

Unraced, the broodmare Louna du Loup (Madjani) has already produced Iloucio (Josco du Cayrou), a two-time winner in Qatar. The maternal line of this family shows great success in major Arabian races worldwide, with names like Kenzo du Loup and the solid Lotois line: Albar Lotois, Kerbel Lotois, Tidjam Lotois, and Dagui Lotois.

Laure Giethlen, Haras du Val des Merles: "Mamzel'Lou is a filly with a strong frame, deep shoulder, good bone structure, and excellent conformation. She is

by Nieshan and from the Nevada lineage and the Lotois lineage (Guy Barry). She is an easy 2-year-old who already goes to the walker and measures 1.55m. Her older brother is Iloucio (Josco du Cayrou), winner of the Al Gharafa Cup at Doha (Qatar)."

Young Broodmares with Solid Pedigrees

BONNATELLA (Af Albahar x Bonnett) - M 2018 - In Foal to Mister Ginoux Consigned by Karwin Farm

The most prestigious Arabian racing records in the United States are here. This 6-year-old young broodmare is the full sister to American champion TM Thunder Struck (Madj Al Arab). Bonnatella is in foal to Mister Ginoux, combining the Al Maury bloodline with the maternal lineage of a long list of US Group 1 winners like Dixie Charlene, Grilla, Dixies Valentine, Dixies Delight, Rasi, Ms Dixie, etc.

"Bonatella comes from a very fine family with multiple Group 1 winners in each generation," emphasizes Grégory Vayre from Karwin Farm. "She has a good conformation and a nice temperament. She is in foal to Mister Ginoux with a very good last service on February 19."

Her yearling by Al Mamun Monlau is also for sale in the Auctav Arabian Summer Sale. "Azzam Karwin is the first foal of his dam Bonnatella. He is a very good walker. He already has the physique of a racehorse."

AL ATHOOP (Al Mourtajez x Al Fahda) - M 2020 - In foal to Al Mouwaffak Consigned by Al Shaqab Racing

Al Athoop (Al Mourtajez) is a maiden mare in foal to Al Mouwaffak. Her dam Al Fahda (Azadi) shone on the track, offering the Al Shaqab Racing silks the Qatar Arabian Trophy des Pouliches (Gr.1) in 2014. Al Fahda is also the full sister of black-type Badi Al Cham and descends from the maternal bloodline that produced Al Nachmiya, a top performer and matron.

Al Athoop, daughter of the popular stallion Al Mourtajez, is in foal to Al Mouwaffak, who is now a private stallion.
