**Top Stallions Represented**

Special attention to the stallions whose latest generation is on sale this year among the yearlings. It's impossible not to look with nostalgia and interest at the three lots by Ready Cash, the only stallion in 2024 whose offspring have surpassed 100 wins. **Nolita Madrik (Lot 27)**, consigned by Madrik stud farm, is a filly and full sister to the winner Karlita Madrik and from the maternal line of Galius and Tess de Villeneuve. **Not This Time (Lot 78)** is a colt consigned by Haras des Rouges Terres: his dam is a sister to Impressionist (Ready Cash), closely replicating the cross. As for **Neptune Pierji (Lot 82)**, he is the third foal of the first-category mare Familia Pierji, sister to the classic filly Milia Pierji in a sibling group with 11 winners out of 14 horses.

Even rarer, two lots by the late Galius consigned by Haras de l'Étre: **Neylius du Tertion (Lot 64)** and **Never Give Up Ally (Lot 68)**, whose dam is the sister to champions Axelle Dark and Briac Dark. The first 2-year-olds by Galius qualified with a spectacular time of 1'16 for Maestro River.

The new sought-after stallion, Face Time Bourbon, is represented by **Nueva Chica Gio (Lot 49)** for Haras d'Écouché, and **Nagoya de Lou (Lot 57)**, daughter of the semi-classic Diana du Chatelet, for Madrik stud farm.

Among the top stallions in terms of earnings or the number of winners:

- Bird Parker : **Night Guillervil (Lot 8)**, **Magic Bird (Lot 63)** & **Nectar de Bomo (Lot 98)**
- Booster Winner : **Nikita du Pont (Lot 18)**, **Ninja Up Star (Lot 45)**, **Number One Fligny (Lot 91)**
- Charly du Noyer : **Nostra de Blary (Lot 35)**, **Never The Same (Lot 36)**, **Narco de Chanlecy (Lot 44)** & **Nili Heights (Lot 62)**
- Love You : **New Love (Lot 10)**, **Novato Bello (Lot 21)** & **Noble Bourbon (Lot 87)**

### **Arnaud Angélieaume, Auctav**

"This catalog includes many horses that have charmed us both by their pedigree and their physique. I continually observe the increased care by breeders in terms of selection and preparation, and I am convinced that buyers will find horses in this hundred-strong yearling offering that meet their expectations."

### **30 Consigners on Board**

Besides loyal consigners like Haras d'Écouché, who set the top price and European record in 2023 with €580,000 for Machiavel Bourbon, many new studs and breeders will head to Haras de Bois Roussel, Auctav's headquarters near Alençon, totaling 30 consigners. Among the newcomers are Tony Salva, Pierre Sauvage, Ecuries de Guillerviel, Elise Gaudre, Jyl and Lebourgeois, Ka and Blary breeding, Gaby Pension Equine, Gaec Douce Renardière, and Haras d'Ép, de la Gravelle, de la Louvière, de la Paumardière, de la Vollandière, de Saint Fray, and de Villepelée.

### **A Well-Oiled Organization**

With four sales held at the stud in 2023, the Auctav team now knows its tools perfectly. "We will be able to welcome horses, professionals, and the public in the best way," explains Arnaud Angélieaume. "Sales are always intended to be a convivial moment for everyone. Inspections will start on August 22 at 10 am with auctions beginning at 5:30 pm for a sales dinner. We have two new features this year to enliven the day, which we will announce in the coming days. We want to make this day, which attracts many people, a commercial,

educational, and of course, festive event."

### **An AuctavArt Sale Alongside the Yearling Sale**

AuctavArt, whose exhibition room is located in the heart of the stud, will showcase its entire catalog on August 21 and 22. It will be possible to enjoy the yearling sales and this event, which will feature a selection of paintings, art objects, and sculptures largely dedicated to horses. The sale will take place live at Haras de Bois Roussel and online on the Drouot website on August 23. Make your choices and place your orders with our auctioneer James Fattori.
