**Strong Pedigrees in Broodmares, Foals, and Yearlings**

- **Lot 6** - La Grande Zohra, a broodmare from the excellent Popova, who produced triple Group 1 winner Fastorslow and Group-placed Meredith. The Fastorslow cross is reproduced as La Grande Zohra, presented by Ecurie Alexandre de Jésus, is in foal to top sire Saint des Saints.
- **Lot 33** - Odin Delf's dam is the sister to the highly regarded sire Blue Bresil! This solid family in flat and jumps racing includes Group 3 winner Miss Salvador and two other sisters who produced NH winners like Le Chiffre d'Or and Danceur Brésilien, both also Listed placed.
- **Lot 68** - This foal by Doctor Dino is out of the full sister to champion Fleur d'Ainay. An excellent sibling group consistently performing at the top level, including Group winners Zurekin, Crystal d'Ainay, Etoile d'Ainay, Heros d'Ainay, and Flower des Champs.
- **Lot 87** - Haras de l'Etoile du Berger consigns a foal by Kapgarde out of black type Luna Riska (No Risk At All). The maternal family is strong in stamina, with Luna Riska placed in the Prix Wild Monarch (L) and Prix d'Iéna (L).
- **Lot 42** - This foal by sought-after sire Masked Marvel is out of Chutiquetta (Gold Away), a NH winner and sister to solid black types Vicbilh and Tarakan. One of her sisters is the dam of Group 3 winner Curly Basc.
- **Lot 45B** - Chantducoq quickly made his mark in breeding. His first generation includes French Chaser Kristal du Seuil, 3rd in the Prix de l'Isle-Briand (Gr.3 AQPS), and Kiss Me Sonne, runner-up in the Prix des Guilledines (Gr.3 AQPS). The yearling from Damzelle Gigi's maternal family includes Group 1 performers as Herald Champion Novices Hurdle winner Draconien, or Cash Back.

Also notable:

- **Lot 51**: Nosso Senhor, a colt by Triple Threat, now an exported sire. This yearling colt is from the family of Franco de Port.
- **Lot 72**: This foal filly by Cokoriko is out of Hermine Madrik (Saint des Saints), sister to Iceo Madrik (Choeur du Nord).
- **Lot 73**: A yearling colt by Jeu St Eloi, whose dam, Highest Card (Alberto

Giacometti), comes from a maternal family successful in NH races in France, the USA, and throughout Europe.

- **Lot 82:** This yearling by Masked Marvel, from the prestigious line of Kotkijet, is closely related to Olympic Story, winner of the 2024 Prix Girofla (Listed).

### Potential Awakening in the 2-Year-Olds

The selection of 2-year-olds is highly attractive, including a filly promising both in competition and future breeding. **Basca (Lot 119)** is the daughter of top mare Curly Basc (Kapparde), a Group 3 winner, multiple Listed and Group placed, and 4th in the Grand Prix d'Automne (Gr.1). The family has winners at high level at every generation. The 2-year-old is sired by Masked Marvel.

### Yorton on tour stops at Auctav

Yorton stops with its "Yorton On Tour" at Haras de Bois Roussel with yearlings and 2-year-olds. "We will have about fifteen horses," announces David Futter of Yorton. "It's a nice selection with 2-year-olds already broken and ridden. Our proven method in France sees horses quickly head to the races and achieve success up to Auteuil. This season, Yorton horses had 6 Group 1 horses, including 3 winners."

Among Yorton's 2-year-olds, **Juge Marvel (Lot 117)** is out of Junta des Champs, full sister to Group 3 winner Juntico. The full sister to this 2-year-old gelding, Junta Marvel (Masked Marvel), is unbeaten in two starts, including a Group 3 win for Willie Mullins at Punchestown.

**Masked du Nord (Lot 132)** is a French Chaser filly by Choeur du Nord. Her dam, a daughter of Masked Marvel, remained unraced. She is the sister to Group 1 winner Duca de Thaix (Voix du Nord) and black type Antartica de Thaix (Dom Alco).

### Arnaud Angélieaume, General Manager:

"We are very pleased to unveil the catalogue. It reflects the demands of a discerning market with attractive pedigrees and physiques, as well as precocity through 2-year-olds expected to race in the earliest 3-year-old races in 2025.

We are delighted that Yorton has made the Auctav NH Sale a stop on its Yorton on Tour, and we are also happy to further introduce this expert in French breeding and racing. We also have siblings of Group horses, Morpheus, the stallion brother to Frankel, and new consignors whom we are happy to support. I hope that Haras de Bois Roussel will be a meeting point for buyers from all over Europe on September 20th, as this catalogue is truly enticing."
