Auctav Arabian Autumn Sale

Join Kiss de Ghazal in Auctav's Catalog

On November 6, on auctav.com, a legend of horse racing will be offered in Auctav's virtual ring with the one and only Kiss de Ghazal. A champion on the track and a champion in the stud, Kiss de Ghazal also has two of her offspring in the catalog, including the full sister of Asedah. These initial entries are sure to attract a large number of buyers. Now is the time to register your lots.

Kiss de Ghazal, the vibrant broodmare with 6 Group 1 victories

Winner of 9 races, including 7 Group races and three Group 1s in France and England. A record of a true champion. And the great story of **Kiss de Ghazal**, the magnificent mare from **Haras de Gouffern**, continues in the stud with two of her offspring by **Dahess: Jarif** and **Arion**, winners of numerous group races and placed in Group 1. More recently, **Asedah** (Al Mourtajez) finished 2nd in a Group 3 at La Teste before lining up in the **Qatar Arabian Trophy for Fillies** at ParisLongchamp, a race won by her dam in 2011, where she finished 6th.

Jean-Pierre de Gasté, Haras de Gouffern: "She was an exceptional race mare who has remarkably produced two Group 1 placed horses and **Asedah**, a Group placed filly, who has a very promising future. Mares capable of producing 30% of group winners or placed horses are exceptional broodmares. Even top stallions like **Al Mourtajez** or **Manganate** cannot boast such statistics. Despite being 17 years old, she is not worn

out because, aside from her first two foals, she has had embryo transfers."

Two offspring of the excellent **Kiss de Ghazal** are listed for the sale:

- **Cybele** (Al Mourtajez) is a full sister to **Asedah**. Trained by **Elisabeth Bernard** like her, and also 4 years old, she started on September 7, finishing 3rd. "She is at the same level as her sister, but she came into training much later. Even though she is an **Al Mourtajez** daughter, she is bay. She has a very beautiful physique without flaws, and she will be a winner on Saturday," comments her trainer Elisabeth Bernard. Saturday refers to October 12, when **Cybele** will run in the **Prix Frédéric Bouas - Wathba Stallions** at Tarbes.
- The foal **Phorcys** is by the stallion **Mister Ginoux**, who boasts 54% of his starters placing. "He is a very strong foal," describes Jean-Pierre de Gasté. "His dam Kiss de Ghazal already has a beautiful offspring by Mister Ginoux, who shows great promise."

Two sisters and a brother to Artemis in the catalog

Melanippe has superb pedigree. This filly is from the first generation of the champion **Ebraz** (Amer). Her dam **Ocyrrhoe** (Al Nasr) is a Group 1 winner, having won the **Breeders' Challenge** at 4 years old. **Melanippe** is the sister to **Artemis** (Azadi), a Group winner and placed in three Group 1s, who was sold for €130,000 at 2 years old. The maternal family is extremely strong and alive.

Jean-Pierre de Gasté, Haras de Gouffern: "She is a foal of great quality, very elegant, and very refined, with the same dominant temperament that Artemis had. All our foals by Ebraz are extremely pleasing, and we have returned to this stallion with several mares this year."

"**Athena** (Al Mourtajez) is an exceptional filly with an equally exceptional physique and temperament. She is the spitting image of Artemis. She is determined and the boss in the paddock. I believe that those who dominate in the paddock maintain that dominant character on the track. She is in pre-training and takes her work seriously and diligently, giving full satisfaction to the pre-trainer."

In this same sibling group, the yearling **Phasis** is by the stallion **Gazwan**, whose first 3-year-olds have already made a name for themselves with **Mureb**, a Group 2 winner and placed in Group 1, or **Mukatel Al Shahania**, a Group 3 winner, and the dual Group-placed **Wala'A**. "He is a splendid colt who will be a stunning 2-year-old. He has very good legs. He is the prototype of a racehorse."

Also in the catalog

Haras de Gouffern is also the vendor of the broodmare **Bint Albahar KB**. A black-type mare, she is in foal to **Manark**, whose first products, 4 years old in 2024, include the Group 1 winner **Vizhir**. "This important mare has a lot of frame. Her first offspring are very satisfactory. We chose Manark to take advantage of his last season of service in France. Vizhir's results have proven us right."

Consigned by **Élevage de Rayssac**, **Macarel Marayssac** (Al Mamun Monlau) is a 2-year-old filly from **Bajara Celeste**, sister to the excellent performers **Ryan Giggs** (formerly Casani), **Celestin**, **Bramatuero**, **Osaira**, **Carab**, all black-types.

Registrations and inspections ongoing

Now is the time to register your lots and make an appointment for inspection with **Arnaud Angélaume**, **Stéphane Richard Simon**, and **Vincent Le Roy**. All their contact details are available on auctav.com or upon request at contact@auctav.com.
