A pedigree with prestige

The family of **Tahira Al Wathba** is making headlines: her sister by **Mahabb, Zahra Al Wathba**, was purchased for €140,000 by **Al Shaqab**, even though she was presented barren. **Tahira** is in foal to the proven stallion **Al Mourtajez**, with a last service date of March 5, 2024. The 5-year-old broodmare is by **Tahar de Candelon**, the sire of Mahabb, free of Amer's blood.

Her dam, **Djezika**, is ex the famous matron **Cherifa**, who has produced champions and sires and dams of champions. **Djezika** follows this lineage, as **Tahira Al Wathba's** siblings include the stallion **Mushrae**, winner of the **Arabian World Cup (Gr.1 PA)**, as well as Group 1 winner **Nahee** and Group 1-placed **Taymour**.

Hugo Raynal: "Tahira Al Wathba comes from an exceptional family. Her dam was placed in Group 1 and belongs to the same family as **Ziva, Djezabelle**, and **Cherazade**. It's a rare opportunity to find such a pedigree on the market. She's a beautiful mare, in foal to an excellent sire. She already has a magnificent foal colt by Af Albahar, born by embryo transfer".
