

**Auctav January Sale**  
**Extraordinary Opportunity:**  
**Half-share in Cokoriko on offer at [auctav.com](https://auctav.com)**

**A unique chance awaits at the upcoming Auctav January Sale on 29 January, featuring a rare public-market offering: a half-share in the highly coveted stallion Cokoriko, granting the buyer a covering right as early as 2025.**

**The Leading Jumps Sire of 2024**

In 2024, **Cokoriko** once again topped the National Hunt stallion rankings thanks to the impressive performances of his progeny, who captured three of the nine Grade 1 races held at Auteuil: the Prix Renaud du Vivier with **Kingland**, the Prix Cambacérès with **Sain d'esprit**, and the Prix Ferdinand Dufaure with **Kolokico**. His success extends beyond France, with notable results in Britain from the likes of **Bleu de Vassy** and **Homme Public**.

**The Only Son of Robin des Champs at Stud**

A brother to the outstanding **Cesar's Palace**, Cokoriko stands among the top French jumps stallions, appealing to both breeders and buyers. Supported by a prestigious lineage that includes **Nikos**, **Cadoudal**, and **Carmarthen**, he is currently the only son of **Robin des Champs** at stud.

The half-share is subject to a 15-day pre-emption period. The only requirement is to be an SCAECC member or commit to joining within 48 hours after this pre-emption period ends.

This offering represents a rare opportunity to partner with a stallion who continues to leave his mark on French National Hunt racing.
